

PERSONAL INFORMATION:

Full Name: MAHDI ALIZADEH

Nationality: Iranian

Academic Level: Associate Professor

Cell: +98-171-4420981; +98-9117029609

E-mail:

Personal email alizadehpub@gmail.com

Academic email mahdializadeh@gau.ac.ir

Orcid ID <https://orcid.org/0000-0001-5358-313X>

Google Scholar link <https://scholar.google.com/citations?user=RaweflgAAAAJ&hl=en>

Research gate link https://www.researchgate.net/profile/Mahdi_Alizadeh/amp

EDUCATION:

Degree/Certificate	Session	Institute	Country
Ph.D. (Horticulture- Pomology)	2007	IARI, New Delhi	India
M.Sc. (Horticulture- Pomology)	2002	Shiraz University	Iran
B.S. (Plant Production Technology)	1998	University of Shahrekord	Iran
A.S. (Plant Production Technology)	1998	University of Shahid Bahonar	Iran
High School Diploma	1993	-	Iran

- **M.Sc. thesis title:** Foliar application of urea combined with 6-benzyl adenine to decrease pistachio flower bud abscission and regulation of alternate bearing.
- **Ph.D. thesis title:** Micropropagation and *in vitro* screening of some grape (*Vitis vinifera* L.) rootstock genotypes for salt tolerance.

RESEARCH INTEREST:

Physiology and genetic improvement of fruit crops, Biodiversity and wild germplasms, Standardization of propagation methods and micropropagation techniques in horticultural crops

PUBLICATION:

Papers in scientific journals:

1. **Alizadeh M.** And M. Rahemi (2003). Foliar application of urea combined with 6-benzyl adenine to decrease pistachio flower bud abscission. Iranian J Agri. Sci. 43(3):659-665 (In Persian).

National and international Conferences:

16. **Alizadeh, M.**, Singh, S.K., Eftekhari, M. (2009). The usefulness of arbuscular mycorrhizal fungi (AMF) to minimize mortality of micropropagated grape rootstock genotypes during hardening and greenhouse transfer. The 1st National Congress of Sustainable Agriculture, Shiraz Azad University, 9-10 March 2009, Shiraz, Iran.
17. Eftekhari, M., **Alizadeh, M.**, Mashayekhi, K., Kamkar, B., Asghari, H. (2010). Evaluation of biochemical changes in grape cuttings following inoculation with mycorrhizal fungi, 1st National Congress on Sustainable Agriculture and healthy products, Isfahan Agricultural Research Center, Isfahan, Iran.
18. Eftekhari, M., **Alizadeh, M.**, Mashayekhi, K., Kamkar, B., Asghari, H. (2010). Changes in growth parameters of grape cuttings following inoculation with mycorrhizal fungi, 1st National Congress on Sustainable Agriculture and healthy products, Isfahan Agricultural Research Center, Isfahan, Iran.
19. Atashi, S., Mashayekhi, K., **Alizadeh, M.**, Kamkar, B., (2010). Effect of foliar application of Boron on qualitative and quantitative traits of strawberry Cv. Comarosa, 1st National Congress on Sustainable Agriculture and healthy products, Isfahan Agricultural Research Center, Isfahan, Iran.
20. Atashi, S., Mashayekhi, K., **Alizadeh, M.**, Kamkar, B., (2010). Effect of foliar application of Boron on biochemical parameters of strawberry (Cv. Comarosa) fruits, 1st National Congress on Sustainable Agriculture and healthy products, Isfahan Agricultural Research Center, Isfahan, Iran.
21. Nazari, Z., Hemmati, K., **Alizadeh, M.**, Rabiei, V., Khazaei Pool, Y. (2010). Evaluation of fruit firmness and calcium content of kiwi fruits following spraying with CaCl₂, 1st National Congress on Sustainable Agriculture and healthy products, Isfahan Agricultural Research Center, Isfahan, Iran.
22. Eftekhari M., **Alizadeh M.**, Mashayekhi, K. (2011). The effect of explant source (vineyard and greenhouse) on *in vitro* culture establishment of four grape varieties. The 7th National Biotechnology Conference, I.R.Iran, 12-14 Sept. 2011, Tehran.

23. Continued.....

Book and book chapter:

Alizadeh, M. (2012). *A User Manual on Plant Tissue Culture and Micropropagation*. Noroozi Publication, Golestan, Iran, 322 P. (In Persian, including 12 full colored pages).

Fabbri et al. (2004). *Olive Propagation Manual*, CSIRO Publishing. Italy

Translated in to Persian language by: **M. Alizadeh** (2013)

Book chapter in:
The pomegranate (Botany, production and uses), (2020). CABI publication.

Contribution in Chapter 14.
Fruit maturity, harvest methods and technologies

Bhojwani S.S., Dantu, P. K. (2020). Plant tissue culture: An introductory text. India.

Translated into persian language by: M. K. Sarmast, M. Alizadeh (2021). Published by Gorgan University of Agricultural Sciences & Natural Resources (GUASNR), 547. P. Iran.

M. Alizadeh. (2021). An introduction to wild and feral fruits of golestan province, Published by Gorgan University of Agricultural Sciences & Natural Resources (GUASNR), Iran. 580 p. (In Persian)

Kole, C. (2022). Genomic designing for abiotic stress resistant fruit crops. Springer Nature, Switzerland.

Contribution in Chapter 4:
Development of abiotic stress resistant grapevine varieties.

ACADEMIC TEACHING EXPERIENCE:

- Three years' experience as a **Lecturer in Horticulture** at Jiroft Faculty of Agriculture, Shahid-Bahonar Kerman University, Iran.
- Fifteen years' experience as a **Lecturer** for BS, MSc and PhD students, Gorgan University of Agricultural Sciences & Natural Resources (GUASNR), Iran.
- Handling a **Plant Tissue Culture Workshop** (Theory and Practical) as a course instructor, Kordkoy Fani-Herfei Institute, Iran (Feb., 2011).
- Handling a **Plant Tissue Culture Workshop** (Theory and Practical) as a course instructor, 1st National congress on Organic Production of Medicinal Plants, Gorgan University of Agricultural Sciences & Natural Resources, Iran (October, 2015).
- Handling a **Grapvine pruning Workshop** (Theory and Practical) as a course instructor, Jihad Agriculture Institute, Golestan Province, Iran (November, 2015).

SERVICE AND PROFESSIONAL MEMBERSHIP:

- **Deputy to the Dean**, Faculty of Plant Production, Gorgan University of Agricultural Sciences & Natural Resources (GUASNR), Iran (2010-2013).
- **Head, Department of Horticulture**, Faculty of Plant Production, Gorgan University of Agricultural Sciences & Natural Resources (GUASNR), Iran (2020-2023).
- **Member of Iranian Society for Horticultural Sciences**, Since 2000.

- **Member of the University Publishing Council**, Gorgan University of Agricultural Sciences & Natural Resources, 2019 to 2023.
- **Member of the University specialized commission**, Gorgan University of Agricultural Sciences & Natural Resources, 2020 to 2023.

AWARDS:

- Outstanding Researcher in **book translation** (Olive Propagation Manual), Gorgan University of Agricultural Sciences & Natural Resources, Research Week, 2013.
- **Distinguished lecturer**, Gorgan University of Agricultural Sciences & Natural Resources, teacher's day, 2013.
- Outstanding Researcher in **book translation** (Plant tissue culture: an introductory text), Gorgan University of Agricultural Sciences & Natural Resources, Research Week, 2021.
- Outstanding Researcher in **authoring book** (Wild and feral fruits of Golestan province), Gorgan University of Agricultural Sciences & Natural Resources, Research Week, 2022.

LANGUAGES:

Persian language (Native); English language (academic language)

M. Alizadeh

Associate Prof. Horticulture Department
