

**Fields of Studies at GUASNR ( BS.c.)**

No	Faculty	Major	Field
1	Agricultural Management	Agricultural Economics	Agricultural Economics
2	Agricultural Management	Sustainable Agricultural Extension and Education	Agricultural Extension and Education
3	Animal Science	Animal Science	Animal and Poultry Science
4	Fisheries & Environmental Sciences	Environmental Sciences	-----
5	Fisheries & Environmental Sciences	Fisheries Science	-----
6	Food Science & Technology	Food Science and Technology	Food Science and Technology
7	Forest Sciences	Forest Science	-----
8	Plant Production	Horticultural Science Engineering	-----
9	Plant Production	Landscape Engineering	-----
10	Plant Production	Plant Production and Genetic Engineering Plant Protection	-----
11	Plant Production	Plant Production and Genetic Engineering Plant Protection	-----
12	Plant Production	Horticultural Science Engineering	-----
13	Rangeland & Watershed Management	Natural resources engineering	-----
14	Water & Soil Engineering	Soil Science	-----
15	Water & Soil Engineering	Water Engineering	Hydraulic structures
16	Water & Soil Engineering	Water Engineering	Water resources
17	Water & Soil Engineering	Water Engineering	Irrigation and drainage
18	Water & Soil Engineering	Water Engineering	Water engineering
19	Water & Soil Engineering	Biosystems Engineering	-----
20	Water & Soil Engineering	Food Industry Machinery	-----
21	Wood and Paper Engineering	Wood & Cellulose Products Engineering	-----
22	Wood and Paper Engineering	Furniture Industries Engineering	-----
